Each roll of cord will make two clutches, so make one for you and one for a friend. Its a project you can complete in just a couple of nights. Once crocheting is complete, finishing your purses requires some sewing to add a lining and a zipper closure. You can use a machine or hand sew. If sewing isnt in your skill set, recruit a friend or family member with seamstress skills to help. It only takes a half hour to create the lining and set the zipper.
