

Adobe Master Class: Illustrator Inspiring artwork and tutorials by established and emerging artists

This beautiful art showcase book from Adobe Press features 30 established and emerging Illustrator artists, their masterful work, and tutorials demonstrating their techniques for using Adobe Illustrator. Curated by one of Adobes and the Illustrator communitys premiere Illustrator mavens, Sharon Milne, this book features an inspiring collection of innovative Illustrator artists and their amazing artwork. The illustrations represent a mix of techniques and styles and are field-defining works that demonstrate technical excellence and awe-inspiring aesthetics. Readers will also appreciate the artists commentary about their inspiration and philosophy about their art. In addition to the art showcase, this book includes several tutorial projects that teach techniques for working in Illustrator. The how-to content, comprising 25 to 30 percent of the book, is based on general Illustrator features, so this book can be useful for users of recent and future versions of the Illustrator software.
