

Anders Edstrom: Waiting Some Birds A Bus A Woman & Spidernets Places A Crew

With a highly original approach to photography, Anders Edstram creates small sequences of sparse images which elaborate a filmic narrative of inconsequential moments, stories of moments in between moments. As Curtis Winter writes in the introduction to this artists book, They appear as the aftermath of some wire brush cleaning of a slate. To which elements were slowly added. Family, some nature, friends, a bit of community, d cor. Images pulled from the gaps between changing nappies, having meals, talking, getting from here to there... Waiting Some Birds a Bus a Woman and Spidernets Places a Crew are two volumes which collect together some of these stories.
