

Compelling Evidence (Paul Madriani Novels Book 1)

Steve Martini has written a wonderfully crafted and clever courtroom thriller. We unquestionably have a new literary lion in the fictional crime genre. Vincent Bugliosi In the tradition of great courtroom dramas, Steve Martin's *Compelling Evidence* is a taut, tense tale that I simply could not put down. Dominick Dunne Sets a standard for suspenseful, intelligent courtroom drama that will be hard to equal. Its by far the best of the genre I've ever seen ... Absolutely thrilling. Clifford Irving Terrific and intriguing legal drama ... thoroughly entertaining. Its great! Melvin Belli Superb ... truly on a level with *Presumed Innocent*. F. Lee Bailey
