

Leave It To Chance Vol. 1: Shamans Rain

.html (W) James Robinson (A) Paul Smith In stores the week of June 19th. The Concept: Fourteen-year-old Chance Falconer has the occult in her blood. Her father, Lucas Falconer, is the supernatural defender of the Devils Echo, an amazing city where the supernatural is an everyday occurrence. This is a family tradition handed down from one generation to the next and so Chance feels its time for her training to begin. Her father, however, has other ideas. His role as Devils Echos protector has left him a scarred and changed man. But when Lucas puts his foot down and says no to Chances desire to continue the family tradition, she strikes out on her own to prove him wrong - getting involved in her own mysteries and adventures both fantastic and otherworldly. Is she up to this task? Leave it to Chance! Praised for its widespread appeal and ability to entertain both children and adults alike, Shamans Rain is the first in Images ongoing collections of the Harvey and Eisner Award-winning Leave it to Chance material. This will lead into new volumes picking up where the original series left off. Printed in an oversized hardcover format, this edition is Leave it to Chance as you have never seen it before. Recommended for readers and fans of Starman, Harry Potter, Batman Beyond, and Scooby Doo. HC, 9x12, 112pg, FC
