

Lantern City Vol. 1

Whats to Love: From the writings of Jules Verne and H.G. Wells, to comics like The League of Extraordinary Gentlemen, and Lady Mechanika, the detailed and imagination-fueled steampunk movement has excited fans worldwide. Lantern City explores everything we love about the genre and what it takes to change a persons place in the world. Created by Trevor Crafts, Bruce Boxleitner, and Matthew Daley, written by Daley, Paul Jenkins (Fairy Quest), and Mairghread Scott (Transformers), and illustrated by Carlos Magno (RoboCop), Lantern City explores what it takes to change a persons place in the world, all set in an original, sprawling steampunk universe. What It Is: Sander Jorve just wants to keep his wife and son safe. Living in the brutalized lower class of Lantern City means living in near-constant darkness, the enormous walls of the city always looming overhead, while the upper class enjoys the elevated, interconnected towers and airships above. When Sanders brother-in-law, the persuasive activist Kendal, convinces him to infiltrate the brutal ranks of the Guard, hes set on a dangerous path that will test his abilities and beliefs, all in the name of making a difference for his family and his caste. Collects issues #1-4....great script, stunning visuals, and an enthralling premise. - Forces of Geek
