

Making Peace With Your Mom: Steps to a Healthier Mother-Daughter Relationship

Now's the Time to Make a Change Your relationship with your mother can set the pattern for how you function in other relationships, and in the world. When you think about your mom's influence--even if she is no longer in your life--do you feel hurt, frustrated, angry? Through sound counseling and real-life stories, trusted counselor H. Norman Wright and his daughter, Sheryl, reveal why your mother-daughter relationship doesn't have to control your life or your future. They address the critical issues, including how to: Discover your mom's parenting style and its effect Rewrite memories and messages from the past Break old communication patterns Find forgiveness--for yourself and your mom Make progress even if she refuses to change With godly wisdom and practical insights born from experience, this book shows how you can start building a new relationship with your mother--today.
