

Birthday Post Card Art Circa 1910

Birthday Post Card Art Circa 1910 is a nostalgic look at birthday wishes sent more than one hundred years ago. In this collection of 50 vintage postcards, the author shares postcard art of times past. The postcards have been restored to original brightness, blemishes have been removed, and the artwork has been matted and framed. The result is a book of vibrant pictures each optimized to fill the Kindle screen. While the other books in this authors Post Card Art Circa 1910 series are organized into chapters, this collection of birthday greetings is in scrapbook form as the cards would have been arranged in a personal scrapbook at the turn of the century. Birthday Post Card Art Circa 1910 is a wonderful gift for anyone with an electronic reader. Instead of one printed card to celebrate a birthday, there are 50 cards to be enjoyed over and over in a picture book glowing with luminescent color.
