

Chicago Cubs: 1926-1940 (IL) (Images of Baseball)

The Chicago Cubs of the mid-1920s through 1940 were one of the most talented and exciting ball clubs the city ever produced. The Northsiders enjoyed 14 consecutive winning seasons and claimed the National League pennant four times (1929, 1932, 1935, and 1938), but fell to a dominant American League club in each World Series appearance. Four legendary baseball names led these Cub teams during this amazing stretch. Three eventually landed in Cooperstown (McCarthy, Hornsby, Hartnett), and many believe the fourth (Grimm) should have joined them. This was also the era when Cubs Park was transformed into Wrigley Field, under the guidance of Bill Veeck Jr., with its trademark bricks and ivy, hand-operated scoreboard, and outfield bleachers.
